SUMMARY

I'm actively engaged in Front-end development, armed with proficiency in JavaScript and React.js for cross-platform application development. I'm an enthusiastic coder with strong problem-solving skills, eager to make impactful contributions to upcoming projects.

EDUCATION

Bachelor of Computer Application   2021 – present
Tribhuwan University   Kathmandu, Nepal
Relevant Coursework: C Programming, Java, System Analysis and Design

PROFESSIONAL EXPERIENCE

Founder & Developer   03/2023 – present
Writers Chautari 🔗
- Founded and developed "WritersChautari," a platform for writers to share their work and connect with others.
- Created an online writing community, facilitating collaboration and sharing of creative content through WritersChautari.

PROJECTS

CSS Code Generator 🔗
HTML, CSS, Js
- Developed and launched a CSS Code Generator website.
- Enables users to easily generate code for various CSS properties including box-shadow, text-shadow, cursor styles, CSS filters, borders, and transforms.
- Simplifies the process of enhancing web design elements and improves workflow efficiency.

Lusterane 🔗
React Js
- Created "**Lusterane**", a React JS-based blog application (**Front-end Only**).
- Offers users the ability to read and publish blogs.
- Includes an intuitive and user-friendly **admin dashboard** for efficient content management.
- Empowers users to share their thoughts and ideas through the platform, enhancing the blogging experience.

SKILLS

Languages
JavaScript, PHP, MySQL C programming, Java

Frameworks
React, Electron, Bootstrap

Developer Tools
Git, GitHub, Visual Studio Code

VOLUNTEERING

Tutor
Web Development Workshop
- **Co-organized** and taught HTML, CSS and JavaScript basics in a Web Development Bootcamp, collaborating with friends.
- Mentored a group of over **50 students** one-on-one, providing personalized support and guidance in implementing concepts learned during sessions and achieving their goals in Web Development.
